Dear Sirs

**Patents Act 1977: Search Report under Section 17(5)**

I enclose two copies of my search report and a copy of the citations.

**Plurality of invention**

I consider that your application relates to more than one invention as follows:

Claims 1, 5, 6 and 7: An apparatus and method characterised by a packer positioned in a solid or a slotted tubular member.

Claims 9 to 11: An apparatus and method for fluidically isolating annular sections characterised by an expandable tubular member, a sealing member and an expansion cone for expanding the tubular member.

Claims 12 and 13: A packer and method for operating the packer characterised by a radially expandable tubular member and a sealing member.

**Publication**

I estimate that, provided you have met all formal requirements, preparations for publication of your application will be completed soon after **11 March 2003**. You will then receive a letter informing you of completion and telling you the publication number and date of publication.
